A note for householders: Please do not include items such as food or dangerous goods, like faulty electrical equipment, chemicals, or firearms. Items should be placed in your driveway and not on the footpath. The event will take place come rain or shine. It is up to the householder to put items out or not. **Please respect the 9am start time.** Remember you are still responsible for anything that isn't taken on the day. Nelson Environment Centre has ideas on how to recycle leftover items.
